

## SAM Communication Software

### SAM4s Electronic Cash Register Polling Software

SAM Series Communication Software enhances your Samsung/SAM4s electronic cash register providing unprecedented point-of-sale convenience. You'll be able to quickly spot trends and react to changing business conditions.

Collect cash register reports from the convenience and privacy of your office. Backup the considerable data in your cash register. Keep a current backup of your cash register program.

- Print/view reports that are easy-to-read and use.
- Consolidate sales reports from multiple stores.
- Add/change PLUs and other register options quickly and easily from your PC.
- Prepare sales item/price specials ahead of time and download when needed.
- Connect directly via RS-232C or remotely via telephone modems.
- Poll reports from the register, then save, display or print them at the PC.
- Poll all stores, or individual stores from a single licensed PC.
- Poll unattended at a predetermined time.
- Customize your polling session by defining the reports you wish to poll.
- SAM Series Software converts reports to ASCII files, ready to be used by other PC applications
